

VARILUX ZOOM DIVING TORCH

Our new addition to the Northern Diver 'Black and Gold Range' is a fantastic option for all divers. A body sculpted from anodized aircraft aluminum, a magnetic push switch located on the tail cap and a depth rating of 100 meters represents the thought behind the design to make this one of the toughest torches.

The three white light settings make the 'Varilux Zoom' a fantastic multi-purpose dive torch. High (1000 Lumen), Flashing and an innovative 'Zoom' mechanism will allow you to alter the beam width by over 800% setting the Varilux Zoom apart from any other torch in the range.

A built in Samsung 18650 Battery will give you up to 10 hours burn time and allow you to charge directly into the tail cap, with no need to have to remove a battery. Between the battery and the torch lifespan, a user can expect up to 100000 hours of use.

Specification

Burn time : 1h-10h
Beam distance: 1000m
Impact resistance: 0.5m
Depth rating: 100m
Material: Anodised aluminium
Colour: Black/gold
LED: 1 x CREE XPL
LED lifespan: 100,000 h
Brightness: 1000 lumen
Color temp: White light
Mode: High/flash/beam width adjust
Battery: Samsung 18650 3.7V, 2600mAh
Switch design: Magnetic push switch
Lens: Convex PMMA lens
Size: 165 x 54 x 35mm (length x head diameter x tail diameter)
Handle bar length: 118mm
Weight (torch): 354g
Weight (torch and batteries): 840g

What's Included?

Varilux Zoom torch x1
SamSung 18650 battery x 1 (built-in)
USB charging cable & wall plug x 1
Spare O-ring x 1
Lanyard x 1
Tail cap lubricant x 1
Hard storage case x 1
User manual x1
