31L R.A.I.D. CASE

ROBUST. AIRTIGHT. IP67. DUST-PROOF CASE

Our 48L R.A.I.D. case made of high impact ABS with IP67 protective degree. For your ease of use when manoeuvring, the case features wheels, a retractable pull-handle, plus 2 sturdy, hinged handles. The removable pick and pluck foam interior allows you to completely customise the internal space, allowing for extra protection and inventory control.

All of our R.A.I.D. cases are injection moulded and can withstand the strains of floodwaters. They can even be submerged* and still keep all valuable devices safe and dry. They protect your delicate equipment from handling abuse and the most extreme and hazardous conditions.

*IP67 - protected from dust and capable of withstanding water immersion between 15 cm and 1 meter for 30 minutes.
